## "Wild Plants And The Nobility Of The Stones"

Addington Brigitte and Brix Waltraud

Twelve wild herbs and gemstones – an ideal combination. Combine them to multiply their healing power and energy

A book for herb and crystal lovers.

Inspirations and gifts from Mother Earth, deeply rooted in old traditions and wisdom. Get in contact with body, mind and spirit - health, happiness, joy and love. Immerse yourself in the worlds of wonders!

This book will help you to find out about the miraculous healing properties of herbs combined with specific gemstones to use in your everyday life.

Let the certified herbalist Brigitte Addington and the gemstone specialist Waltraud Brix inspire you to holistically integrate plants and gemstones in your daily life.

This unique work includes a variety of natural healing methods, recipes, ideas and personal experiences.

Book, 19.95 Euro plus postage and shipping
